PRESBYTERIAN CHURCH, BREVARD, N. C. IN THE "LAND OF THE SKY."

Address

Dear Friend: —

Thank you many times for your lovely letter. This is a small church & not nearly as up-to-date in their services as they are at the Ref. Ch. in Rutley.

Brevard, N. C., is located in the far famed Sapphire section of North Carolina, and is easily accessible by way of Southern Railway. This section has been given the name of "The Land of Cascades and Waterfalls," on account of the many hundreds of beautiful falls, many of which are within walking distance of the city of Brevard.

If these cards cost more than 2¢ to send them, please tell me when you write. I've no means of finding the weight of the letters & am too far from Post Office but want to know if 3 cards will go for 2 cents.
